Christian Coalition of America

National Petition to "Stop FOCA"

The "Freedom of Choice Act" (FOCA) is federal legislation that would remove virtually ALL current local, state and federal restrictions on abortion, (from nullifying parental notification laws, to mandating taxpayer funding of abortion – to legalizing "partial-birth" abortions).

President Obama has promised that he will sign this bill into law if it is passed by Congress. Please join our campaign to let our members of Congress know we oppose this horrific legislation!

We the undersigned stand for life and OPPOSE passage of the Freedom of Choice Act (FOCA). FOCA creates an unlimited, tax-payer funded right to abortion on demand and overturns the will of the American people by removing any and all restrictions on abortion nationwide. We call on the President and members of Congress to STOP FOCA and stand for life!
