Dear friend,

You are holding one of the most powerful tools Christians have ever had to impact our society during elections – the Christian Coalition voter guide. This simple tool has helped educate tens of millions of citizens across this nation as to where candidates for public office stand on key faith and family issues.

I want to assure you that your church or civic group has every right to distribute these non-partisan voter guides, and distributing them poses no threat whatsoever to any organization's tax-exempt status. In fact, Christian Coalition is the only organization whose voter guides are prepared in accordance with IRS approved guidelines for distribution in churches.

I encourage you to help spread this important information to others by making additional copies for distribution. You can make voter guides available in every way possible – in churches, at Christian bookstores, as neighborhood handouts and even outside your local polling station. You can also visit our website at www.cc.org/voterguides to find links to this guide which you can forward to others via email, as well as Facebook and Twitter.

Also, please be in prayer for our nation, as we continually need God's hand of mercy and protection.

This is a crucial election and too much is at stake for God's people to sit on the sidelines. Be sure to make your vote count by going to the polls this coming Election Day!

Thank you for the stand you are taking as a Christian citizen and may God bless America!

Sincerely,
Roberta Combs
President, Christian Coalition
